Dear Librarian/Acquisition Committee:

I would like to recommend *Economics of Energy & Environmental Policy* for our library for the following reasons:

□ **REFERENCE**. I will need to refer to this publication frequently for new research articles related to my work.

□ **PUBLISHING FORUM.** My research requires a forum in this field for publishing. I will likely submit a paper to this publication.

□ **STUDENT REFERRAL.** I would like to request this publication as I will be referring my students to this publication as it pertains to their studies.

□ **OWN AFFILIATION.** I am a personal contributor to this publication and regularly refer my colleagues and students to review this publication.

□ **BENEFIT FOR LIBRARY.** My colleagues and I will regularly recommend articles from this publication and it would benefit the library's collection to have.

Please consider these additional reasons for recommending this publication:
