Concurrent sessions will be organized from accepted abstracts. Please submit abstracts of one to two pages in length, comprising (1) overview, (2) methods, (3) results, and (4) conclusions. Papers with focuses on Asian energy issues are highly welcome. Please also attach a short CV. Abstracts must be prepared in standard Microsoft Word format or Adobe Acrobat PDF format. The lead author submitting the abstract must provide complete contact details: mailing address, phone, fax, e-mail etc. At least one author of an accepted paper must pay the registration fee and attend the conference.

Quality papers among accepted ones would be printed as a special issue of an international journal or a special volume. Other related documents are available on the following website: <http://caee2007.cier.edu.tw>

While multiple submissions by individual or groups of authors are welcome, the abstract selection process will seek to ensure as broad participation as possible: each speaker is to deliver only one presentation in the conference. If multiple submissions are accepted, then a different co-author will be required to pay the registration fee and present the paper.
