

## **IAEE/ASSA CALL FOR PAPERS**

11<sup>th</sup> Annual Energy Economics Meeting  
January 3-5, 2009  
San Francisco, California

### ***“Hot Topics in Energy Modeling”***

If you are interested in presenting please send electronically an abstract of 200-400 words and a short bio to the program chair Carol Dahl at the Colorado School of Mines ([cdahl@mines.edu](mailto:cdahl@mines.edu)) by May 15, 2008. Decisions on papers presented and discussants will be made by July 1. The program including abstracts will be posted at [iaee@iaee.org](mailto:iaee@iaee.org) by September 1, 2008. The session will be published on IAEE's website.

Alternatively, if you are interested in being a discussant please send a short bio and a list of research areas you would feel qualified to discuss. Discussants and at least one member of each paper must be a member of IAEE to be included in the session.
