

# THIRD ANNUAL NAEI/IAEE INTERNATIONAL CONFERENCE

## CALL FOR PAPER

The Nigerian Association for Energy Economics (NAEE) in Association with the International Association for Energy Economics (IAEE) will be holding its Third ANNUAL NAEI/IAEE Conference at the New Chelsea Hotel, Abuja between April 19<sup>th</sup> and 20<sup>th</sup> 2010.

### THEME: ENERGY, ENVIRONMENT AND THE ECONOMY

#### CONFERENCE OBJECTIVES:

A number of recent developments at global, regional and national levels portend significant implications for the future of energy developments with varying degree of impacts on developed and developing economies, oil importing and oil exporting countries. Among such recent developments with global energy implications are the global economic meltdown, Obama's energy policy focusing on new energy technologies as well as the rise of the Asian Drivers of China and India. Others include increasing concerns about climate change and food security. The 3<sup>rd</sup> NAEI/IAEE Conference will examine the above issues focusing on energy markets in developing countries, their regulatory frameworks and capacities and long term strategies for dealing with the evolving global economy, among others. The Conference will bring together policy makers, industry experts, academia and other stakeholders in addressing all of these issues.
