SPE/IAEE Hydrocarbon Economics and Evaluation Symposium

17–18 May 2016 | Royal Sonesta Hotel
Houston, Texas, USA | www.spe.org/events/hees

This SPE symposium brings together professionals and leaders in the oil and gas industry who are involved in the economics and evaluation of hydrocarbons and energy. The event creates an opportunity for companies to capitalize on the rapidly developing industry and to showcase the technologies and services required to meet the demand.

THE SYMPOSIUM OFFERS:

- Panel sessions to bring you the perspectives of industry leaders and experts
- Technical presentations of new technologies with solutions for your most pressing issues
- Valuable face-to-face interactions and knowledge sharing with authors and industry leaders
- Opportunities to establish and reinforce your marketing message and relationships with key buyers

Exhibits, Sponsorship, and Advertising Opportunities Available!

The Corporate Advantage Program exposes attendees to your company and promotes your presence within the industry.

SPONSORSHIP BENEFITS

- Prominent on-site signage throughout the conference recognizing the sponsorship
- Recognition in the conference preview
- Recognition in the conference program
- Recognition on the conference website
- Recognition in the presentation shown between technical sessions

EXHIBITOR BENEFITS AND SUPPORT

- Forge new business relationships and strengthen existing relationships
- Engage with industry leaders and officials
- Secure deals face-to-face
- Generate more sales leads
- Gain more exposure through a company listing in the conference program
