

17-18 May 2016 | Royal Sonesta Hotel | Houston, Texas, USA | www.spe.org/go/attendHEES

SPE/IAEE Hydrocarbon Economics and Evaluation Symposium

Fundamental Drivers, Commodity Cycles, and the Dynamics of Oil and Gas Valuation

Register
by **15 April**
and Save
USD 100!

This SPE symposium brings together professionals and leaders in the oil and gas industry who are involved in the economics and evaluation of hydrocarbons and energy. The event creates an opportunity for E&P professionals to capitalize on the rapidly developing industry and to share technologies and services required to meet the demand.
