Dear Librarian/Acquisition Committee:

I would like to recommend *The Energy Journal* for our library for the following reasons:

- REFERENCE.** I will need to refer to this publication frequently for new research articles related to my work.
- PUBLISHING FORUM.** My research requires a forum in this field for publishing. I will likely submit a paper to this publication.
- STUDENT REFERRAL.** I would like to request this publication as I will be referring my students to this publication as it pertains to their studies.
- OWN AFFILIATION.** I am a personal contributor to this publication and regularly refer my colleagues and students to review this publication.
- BENEFIT FOR LIBRARY.** My colleagues and I will regularly recommend articles from this publication and it would benefit the library's collection to have.

Please consider these additional reasons for recommending this publication:
