

## IAEE PRODUCTS &amp; SERVICES

The International Association for Energy Economics is the world's leading professional organization for energy economists. Its focus is to assist you, its members, to practice and research energy economics. IAEE offers a wide variety of products and services designed to help you achieve your professional goals and take your career to the next level.

*The Energy Journal*

<https://www.iaee.org/en/publications/Scope.aspx>

Recognized as the leading international journal in energy economics and related disciplines, the prestigious *Energy Journal* presents a broad spectrum of empirical, theoretical and policy related papers within the field of energy economics. Visit the IAEE website for a complete index and abstracts of all articles published since inception.

**Economics of Energy & Environmental Policy**

<http://www.iaee.org/en/publications/eeepscope.aspx>

Focusing on policy issues in the interface between energy and environmental economics, EEEP provides a research-based, scholarly, yet easily read and accessible source of information on contemporary economic thinking and analysis of energy and environmental policy. The Journal nurtures dialogue between academics, business and public authorities. It covers policy issues worldwide.

*Energy Forum*

<http://www.iaee.org/en/publications/newsletter.aspx>

*Energy Forum* presents articles on a wide range of applied energy economics and policy issues plus special member notices about conferences and workshops. *Energy Forum* is published quarterly both in print and electronic format.

**Access to Online Worldwide Membership Directory**

<http://www.iaee.org/en/account/login.aspx?page=/en/MemberAccess/SearchDirectory.aspx>

Search the complete database of IAEE members worldwide, their business affiliation, contact information, and energy specializations—an invaluable resource for research and networking.

**Conferences**

<http://iaee.org/en/Conferences/index.aspx>

Join participants from the most influential government, corporate and academic energy decision-making institutions at IAEE conferences. The gatherings provide forums for members to present recent work and learn from the work of others. Each year, IAEE holds an international conference in a world-class city plus regional meetings in Europe, North America, Asia and Latin America. Members receive discounted registration fees that effectively pay for your membership!

**Online Conference Proceedings**

<https://www.iaee.org/en/publications/Proceedings0verview.aspx>

Access the full proceedings of IAEE meetings available free of charge on the Association website.

**Affiliates**

<http://www.iaee.org/en/inside/affiliates.aspx>

Stay informed about the many IAEE country affiliates who offer their own programs of events and publish newsletters, white papers, etc.

## Working Paper Series

[http://www.iaee.org/documents/USAEE-IAEE\\_WPS.pdf](http://www.iaee.org/documents/USAEE-IAEE_WPS.pdf)

Take advantage of this opportunity to present and access research papers on a wide range of energy economics and energy policy topics. Submit your work for feedback from our extensive network of researchers—downloads are unlimited.

---

## Placement Service

<https://www.iaee.org/en/Resources/careers/index.aspx>

Search employment opportunities posted on the Association's website and upload your resume to IAEE's database for employers to view. The Association seeks to widen professional opportunities for its members and to help employers find the most highly qualified candidates in their field.

---

## Student Programs

<https://www.iaee.org/en/Students/index.aspx>

Network with fellow students of energy economics through IAEE's robust student programs—best paper awards at conferences, an online student directory, networking opportunities at IAEE events, and conference scholarships.

---

## Member Publication Listing

<https://www.iaee.org/en/publications/AboutMemberPublications.aspx>

List your published articles/books on IAEE's website to promote awareness and networking among fellow members. This is an excellent way for members to bring their work to the attention of others.

---

## IAEE Merchandise

<http://www.iaee.org/en/inside/merch.aspx>

Advertise your IAEE membership with a variety of logo merchandise including shirts, hats, mouse pads, static clings, bumper stickers, key chains and pens. Give the gift of membership along with a piece of logo'd merchandise!

---

## IAEE Website

<http://www.iaee.org/en/>

Visit the IAEE website for a one stop shop of all our member benefits. Published in seven languages, the website provides opportunities for networking with peers, accessing our Online Membership Directory, and by drawing from the archives of *The Energy Journal* and *Energy Forum*.

---

## IAEE Membership

<https://www.iaee.org/en/membership/index.aspx>

Join or renew your membership to IAEE to take full advantage of the quality education at its conferences and cutting-edge energy economics publications. As an IAEE member, you will develop worldwide relationships critical to your professional success and be armed with the knowledge and tools necessary to deal with the opportunities and challenges ahead.

---

## Member-Get-A-Member

<http://www.iaee.org/documents/membergetamember.pdf>

Extend your own membership by referring new members to IAEE! This program awards three months of free membership to members who refer new members to the Association.
