REFEREE ACKNOWLEDGMENTS

All papers received and published by *The Energy Journal* are sent to external referees for single-blind review. Without the help of hundreds of expert referees, the quality and standards of the Journal could not be maintained. Below is a list of referees who have volunteered their time and talents to appraise submissions in the past two years. The editors sincerely thank all referees for their efforts. Referees are included up to September, 2016.

Laura Abrardi  
Malcolm Abbott  
Megan Accordino  
Ram Acharya  
Frank Ackerman  
Seabron Adamson  
Nodir Adilov
