FWTV Sch

- An eclectic mix of coverage about the trucking and freight sector
- New freight-related benchmarks like OTRI and OTVI
- Online, paywall-free news coverage about all aspects of freight...including energy
- The technology revolution: app-based logistics, venture capital funds directed at freight, autonomous vehicles
- Chattanooga-based, one of biggest startup valuations in the state of Tennessee...150 employees

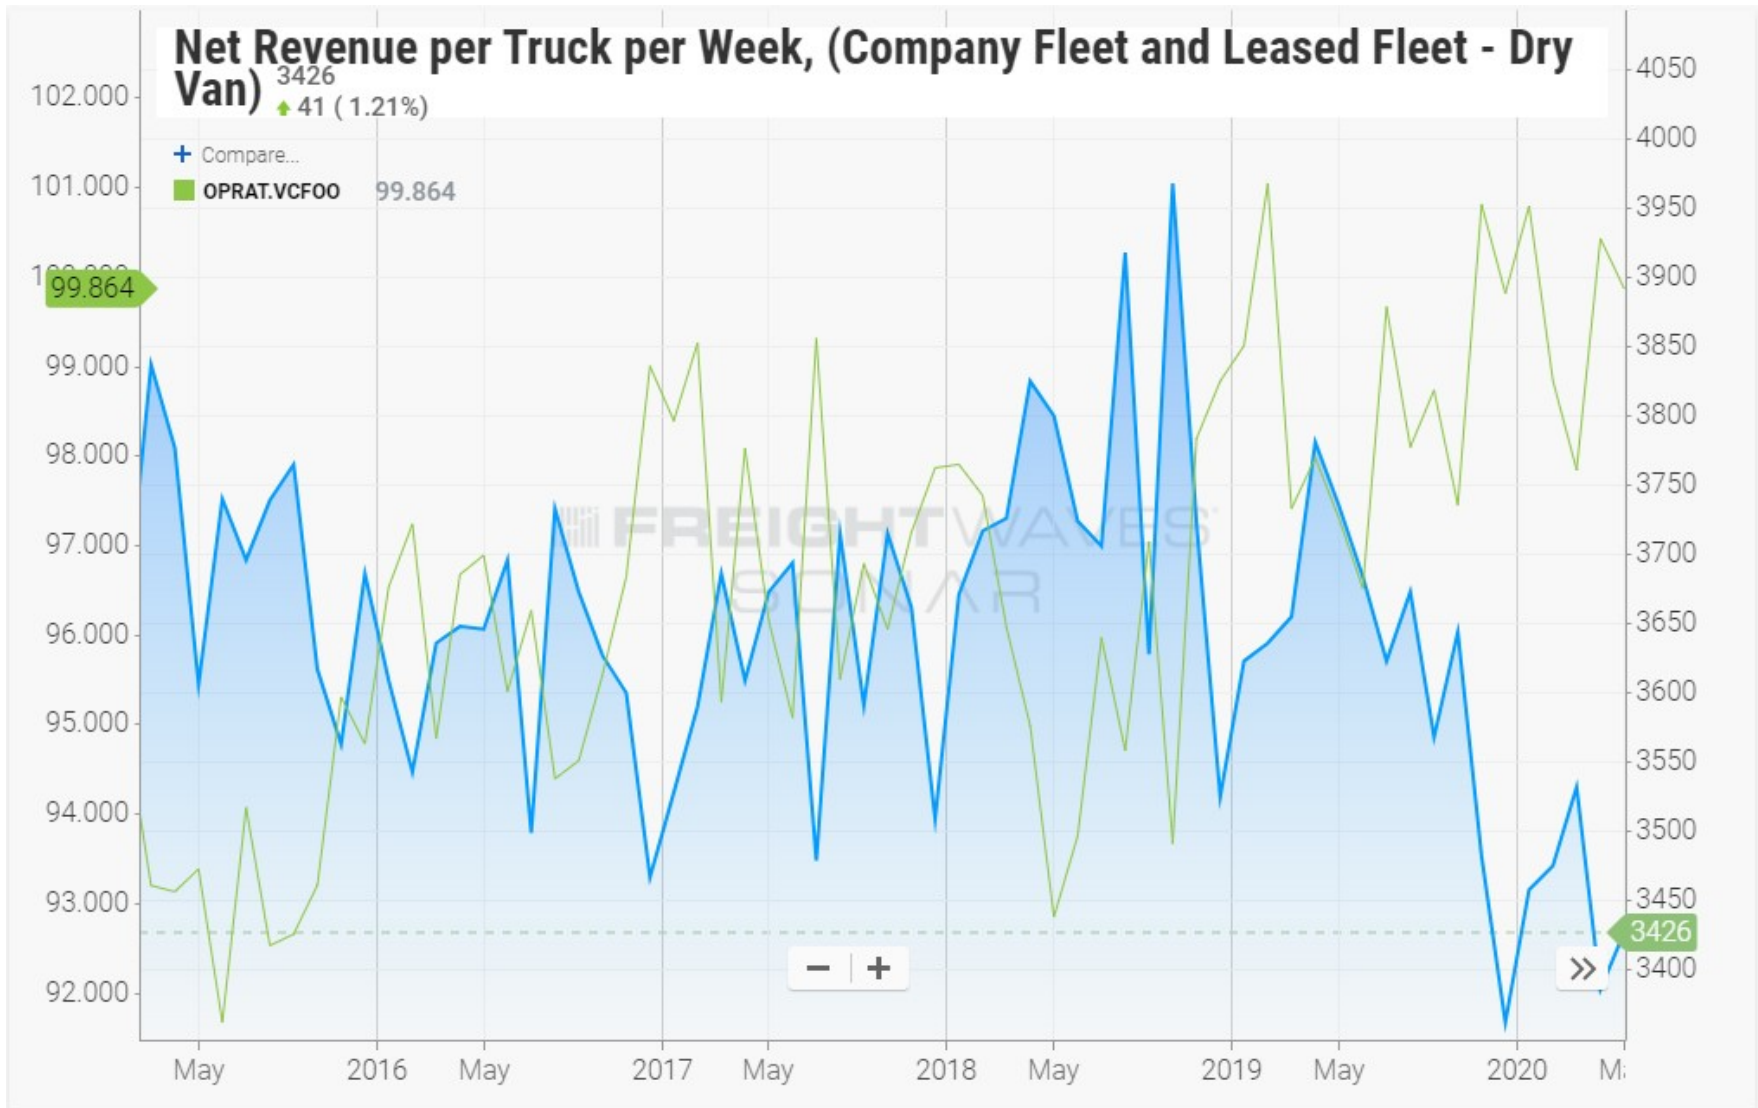

Tender Volumes and Rejections Continue to Rise

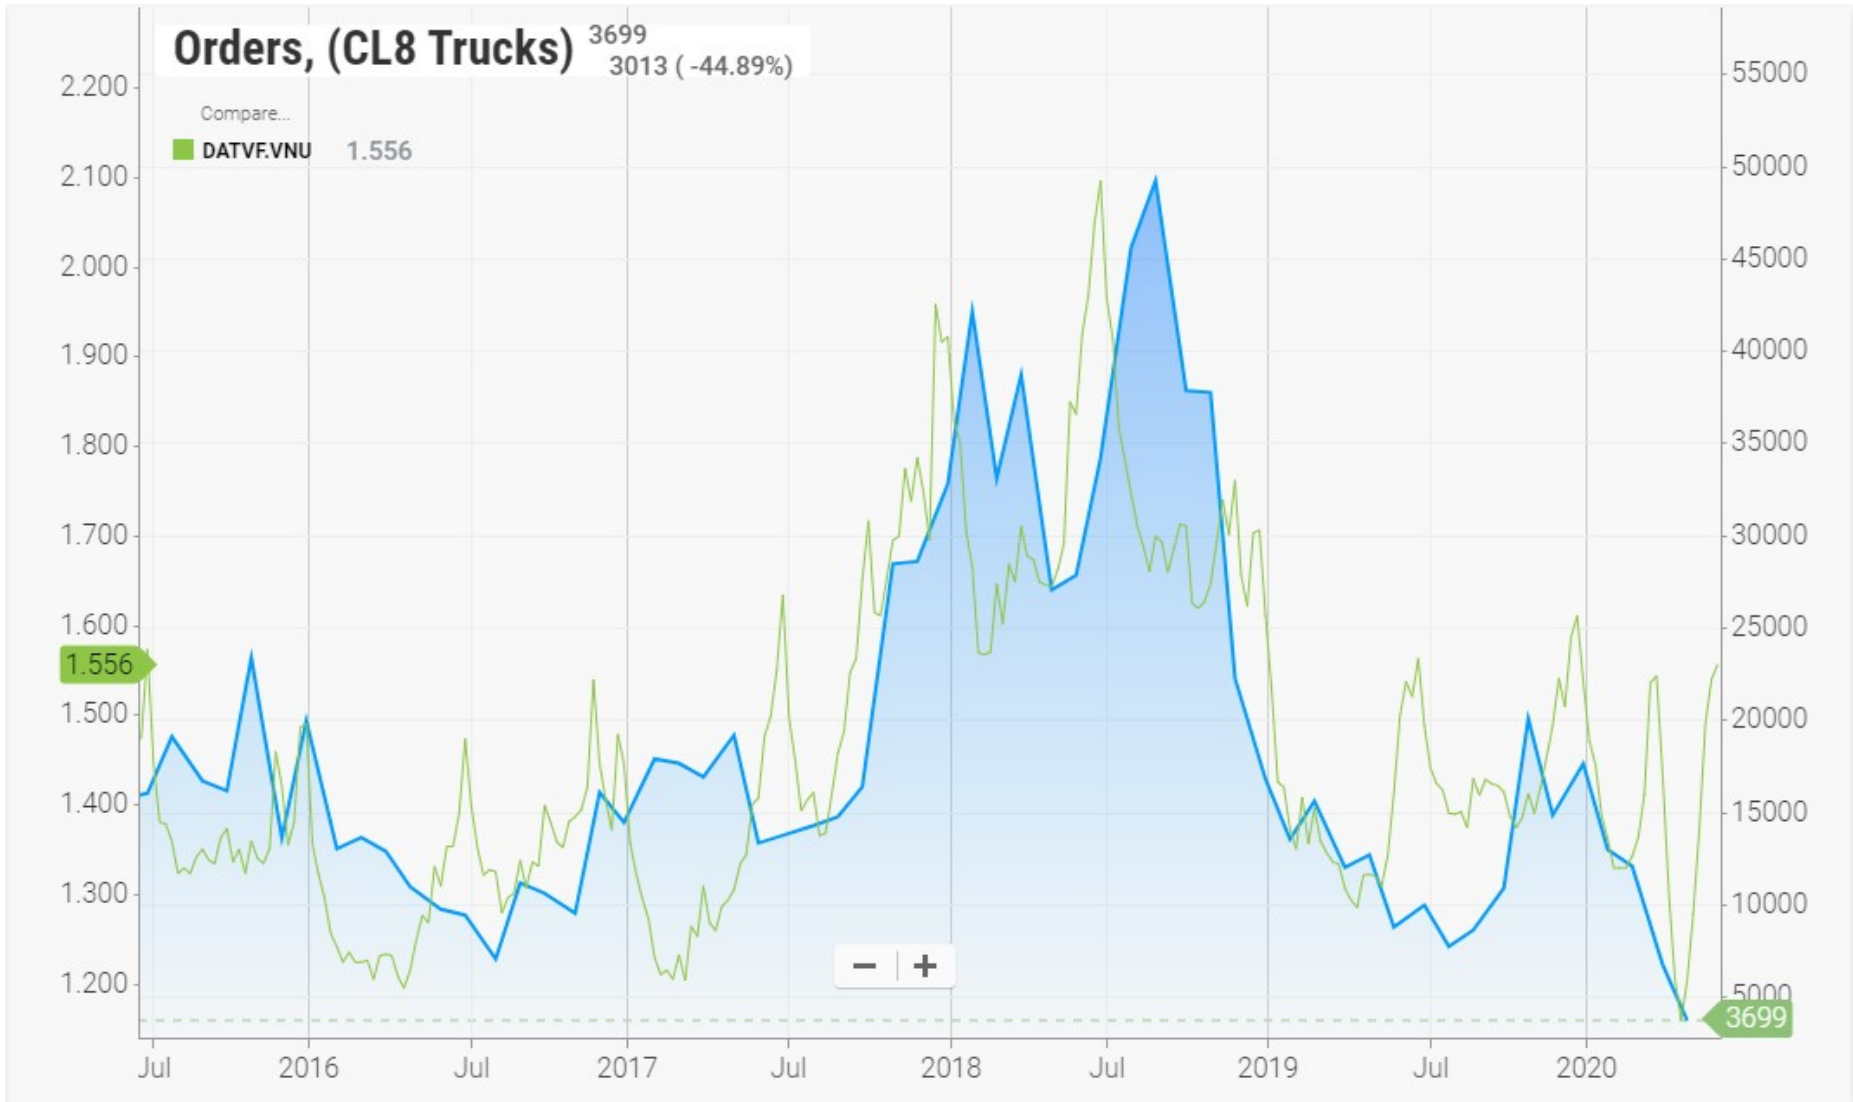

Some Shipper Buy Rates and Volumes Are Down

Truckload Economics, as a Result, Are Challenged

Class 8 Tractor Orders Remain Depressed

Intermodal Volumes and Price Are Also Challenged
