45th IAEE International Conference

25-28 June 2024

Boğaziçi University, Istanbul, Türkiye

“Energy Sustainability, Security, Efficiency and Accessibility in a Time of Transition”

www.iaee2024.org.tr

CALL FOR PAPERS

Türkiye’s unique location straddling the continents of Europe and Asia at the ultimate crossroads of the world’s largest oil & gas deposits and consumption centers, offers an exclusive hub for the exchange of research, policy, practice and ideas to overcome global energy challenges. The conference program includes many exciting plenary and dual plenary sessions on key current energy issues, featuring internationally established speakers and lively discussions. With its social functions, the conference will provide a unique opportunity for networking and enhancing communication amongst energy concerned professionals from business, government, academia and other circles worldwide. The rich social program will include unique arrangements like pre-conference workshops and various historical site visits as well as technical tours. The organization committee, an experienced and enthusiastic team of outstanding prominent energy professionals from the academia and private sector in Türkiye, are determined to make this conference a professionally most enriching and socially most memorable event – as we did earlier in Istanbul in 2008 and in Antalya in 2015. We look forward to seeing you in Istanbul.

Abstract Submission:

Authors wishing to make concurrent session presentations must submit an abstract that briefly describes the material to be presented by the abstract submission deadline, January 1st, 2024. The abstract must be no more than two pages in length and must include the following sections:

- Overview of the topic including its background and potential significance;
- Methodology: how the matter was addressed, what techniques were used;
- Results: key and ancillary findings;
- Conclusions: lessons learned, implications, next steps;
- References (if any).

Abstracts for the poster session must be submitted by the regular abstract deadline. The abstract format for the Poster Session is identical to that for the Concurrent Sessions. Additionally, such an abstract should clearly indicate that it is intended for the Poster Session. Please visit the conference website (<http://www.iaee2024.org.tr>) to download an abstract template. All abstracts must conform to the format structure outlined in the template. Abstracts must be submitted online through the conference website. Abstracts submitted by e-mail or in hard copy will not be processed.
